1.0 Introduction

SEVANATHA Urban Resource Centre is one of the leading organizations in Sri Lanka in Urban Low Income Community Development practices. It has been contributing its expertise knowledge in number of programmes and are mainly aiming at improving urban low income communities' shelter and livelihood aspects.

During the past period of time, **SEVANATHA** has been working with most of the Local Government Authorities, Donors, Community Based Organizations, Public and Private sector expertise persons, Non Governmental Organizations (*NGOs*), Communities and with most of other relevant partner organizations in Urban Development practices. Meanwhile, it has been working in most of the townships in Sri Lanka, focusing basically the Urban Poor Communities.

In February 2002, **SEVANATHA** has prepared a Profile for Urban Poor Communities in the City of Colombo with partnership of Colombo Municipal Council (*CMC*) and the UN – Habitat.

In February of 2009, **SEVANATHA** prepared the Low Income Settlement Profile for Nuwara Eliya as well. Then in October of 2009, Kalutara

Municipal Council was selected and used to prepare a Shelter Profile of low income communities.

In this report, offers the same practice for Matale Municipal Council, as which **SEVANATHA** has processed in the City of Colombo, Nuwara Eliya and Kalutara. It has launched during February of 2010 as a Shelter Profiling Survey within Matale Town with the partnership of Matale Municipal Council.
