1.0 Introduction

SEVANATHA Urban Resource Centre is one of the leading organizations in Sri Lanka in Urban Low Income Community Development practices. It has been contributing its expertise knowledge in number of programmes during past decades those are mainly aiming at improving urban low income communities' shelter and livelihood aspects.

During the past period of time, **SEVANATHA** has been working with most of the Local Government Authorities, Donors, Community Based Organizations, Public and Private sector expertise persons, Non Governmental Organizations (*NGOs*), Communities and with most of other relevant partner organizations in Urban Development practices. Meanwhile, it has been working in most of the townships in Sri Lanka, focusing basically the Urban Poor Communities.

In February 2002, **SEVANATHA** has prepared a Profile for Urban Poor Communities in the City of Colombo with partnership of Colombo Municipal Council (*CMC*) and the UN – Habitat.

In February of 2009, **SEVANATHA** prepared the Low Income Settlement Profile for Nuwara Eliya.

Then the low income settlement

profiles were prepared for Kalutara (October 2009), Matale (February 2010) and Galle (April 2010) as well.

In this report, offers the same practice for Moratuwa Municipal Council, as which **SEVANATHA** has processed in the City of Colombo, Nuwara Eliya, Kalutara, Matale and Galle. It has launched during May/ June of 2010 as a Shelter Profiling Survey within Moratuwa Municipal Area.
